Take that New Roof Back to Beautiful Basics.

IKO Marathon Plus AR traditional shingles are of solid construction and a 3-tab design that has always been popular with homeowners.

Their large metric size means these shingles go down fast and easy, to save you time and labor. And IKO's Fastlock™ modified bitumen sealant is thick and aggressive to promote a strong bond.

IKO's advanced color blending technology produces a wide array of consistent, yet exciting color blends for any style of home.
